

4th November 2011

Dear Parents and Carers,

There are a couple of issues that I would like to bring to your attention and a couple of important dates for your family planning schedules.

- ❖ **Parking and Traffic flow** – Continues to be a major concern to school and surrounding neighbours. There are an increasing number of parents actually making the roads outside school more dangerous by parking on the zigzag lines. In one instance, one parent verbally abused another parent while dropping children off for the Infant Halloween Disco.

Such behaviour is totally unacceptable, when all we want is for ALL of our children and parents to feel safe.
