

THE SMART CATERING SYSTEM FOR SCHOOLS

Trafford Council Smart Catering system, makes online meal ordering and paying hassle free

"...every child gets their choice of meal..."

MEAL ORDERING FEATURES

- Quick and easy online registration
- Easy access from any mobile phone, pc or tablet
- Lets you take control of your child's allergy and dietary information
- Lets you make meal choices for or with your child, so they will eat food they enjoy
- Lets you pre order meals in advance
- Supports both free meals and paid meals
- Secure online payment options, no set up required
- Lets you easily review your payments/orders
- Your child's meal costs stay as low as possible – as food waste is reduced

The system also allows you to pay for school trips, clubs etc.
