

Reaching for the Stars !

4th November 2022.

Dear Parents/Carers,

Important Dates for your Diary – Please keep in a safe place for reference.

We are trying to strike a balance between what we would normally deliver and what we can continue to deliver in the light of the extreme rises in the cost of living. There will not be as many trips ' off-site ' nor will there be too many events in the evening so we save on lighting and heating costs. Instead the staff and the PTA will work closely to find solutions to these challenges , for example by bringing performers and specialist visitors into school , thereby saving on transport costs. Many of our charity appeals will go ahead but we will be sensitive to each family's circumstances and not put pressure on by asking for direct donations...these will always be voluntary and left to each individual's conscience and particular economic status at that time.
