Our Learning Journey

Welcome back, we hope you all had a lovely half term break. The children have been very keen to learn about 'Our bodies' this week and have used our non fiction text as a point of reference and discussion.

Don't forget to keep checking our blog at www.davyhulmeprimary.com

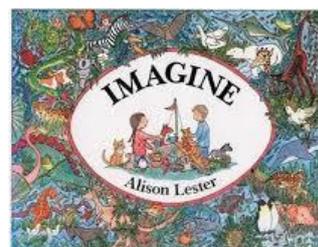

If you have any questions or require any further information, please pop in and speak to one of us.

This week...

We have been busy using various muscles, drawing around each other and making labels for our body parts. We have enjoyed feeling our heart beat and talking about how it changes when we exercise.

Next week...

Our book is...
