25th February 2022

Primary Futures Week

Dear Parents and Carers

To celebrate National Careers Week (7th – 12th March), I am helping to organise careers related activities for pupils this term following on from the success of our previous Primary Futures Weeks.

I am writing to ask if parents and carers would like to volunteer to take part in this event by sharing what you do to inspire pupils about the world of work. I am not planning this to be an in person event at the time, rather in the form of a short PowerPoint presentation that can be shown in class to encourage discussion and further research into the various career opportunities that are available to pupil's in the future. I am planning to then extend this with more interactive visits later in the year.

If you would like to be involved in this event, please email me directly on juliegrindley36@gmail.com and I will share with you a prepared template and further details.

Thank you very much for your valued support and I look forward to working together.

Yours Sincerely

Mrs Julie Grindley

Parent Governor
